

Wintersport Royals, a full and limited travel ice hockey program are full members of the DVHL (Delaware Valley Hockey League). Players will practice twice a week (full travel) and once a week (limited travel). All games will be on weekends beginning September through February. Practice will be structured by USA Hockey accredited coaches. We will provide a safe and friendly environment where players of all ages can develop skills in a structured setting. Hockey is much more than just a game. It teaches life lessons and requires players to think about the team first, not the individual.
