

WINTERSPORT ICE SPORTS:

Hockey is a great game that can provide players with life skills and confidence. Wintersport provides a safe and friendly environment for players of all ages to develop skills in a structured setting. We will maintain a positive atmosphere to bring out the potential of each player. We are not asking for your player to be the best player out there, but the best that he or she can be. Our professional staff works with each and every child to ensure that he or she have a great time while developing their basic hockey skills. Learn to Play ROOKIE 1

Learn to Play Rookie 2 is the next step after Learn to Play Rookie 1. The drills in the Learn to Play Rookies 2 are more challenging than in Learn to Play Rookie 1. Our program models USA Hockey's ADM program. Drills will be set up focusing on different skills, where players will get more reps in each drill. We rotate every 10-15 minutes to the next drill. A controlled scrimmage will be scheduled the last 15 min. or in a station. We will focus on those areas needing the most improvement. Full equipment is required.
