

BUCKS COUNTY ICE SPORTS

Hockey is a great game that can provide kids with life skills and confidence. BCIS provides a safe and friendly environment for players of all ages to develop skills in a structured setting. We will maintain a positive atmosphere to bring out the potential of each player. We are not asking for your player to be the best player out there, but the best that he or she can be. Our professional staff works with each and every child to ensure that he or she have a great time while developing their basic hockey skills. Tiny Totz Hot Shotz Ice Hockey program is designed for children ages 4-6. The program will run 8 weeks. Players will be taught basic skating and stickhandling skills as well as game safety and sportsmanship. No prior experience necessary. This program will be 30 minutes of fun drills and will be followed by a scrimmage game. Each week we will focus on different skills to keep the players interested.
