

## **BUCKS COUNTY ICE SPORTS**

**Hockey is a great game that can provide kids with life skills and confidence. BCIS provides a safe and friendly environment for players of all ages to develop skills in a structured setting. We will maintain a positive atmosphere to bring out the potential of each player. We are not asking for your player to be the best player out there, but the best that he or she can be. Our professional staff works with each and every child to ensure that he or she have a great time while developing their basic hockey skills. For more info contact Vince Prozzillo @ [hockeydirector@bucksice.com](mailto:hockeydirector@bucksice.com)**

**Learn to Play  
ROOKIE #2**

*Learn to Play Hockey is a station based programed which models USA Hockey’s ADM program. Stations will be set up focusing on different skills , where players will get more reps in each drill. This will create more opportunities to improve their skills. Stations rotate every few minutes. The last 15 minutes players will have a controlled scrimmage. We will focus on the following areas: Skating, Stick Handling, Passing, Shooting , and Positional Play. Full equipment is required.*

**Bucks County Ice Sports Center**
